**Please note:**

- Races & Events marked with \* may not be organised by POFROC and will certainly have different entry requirements and sailing instructions.
- SS2 on Monday 7 May, SS8 Polkerris Race & all Cruiser Coastal races (1-4) do not have a Race Officer and are Self Regulating (SR). See POFROC Sailing Instructions para 12.
- RO/Afloat RO \*\* on Wednesday evenings when there are two race officers, one in the race office & one afloat on the RFYC Tender, then the name in **bold** type will be the Senior Race Officer responsible for coordinating all race operations, courses (in particular mark roundings) and safety boat liaison & coordination.
- Those dates marked \*\*\* are available for one of our Junior sailors (accompanied by a parent) to assist the Race Officer. This activity will enhance their understanding of the Race Office & improve their racing skills. POFROC hopes that each Junior who races regularly will be able to help out once each season. There are five dates available during July & August. Please contact Graham Slack for more details.
